THREE PHASE INNOVATIONS®

CUSTOM BUILT MODEL OPTIONS

All models are custom built, offering a full range of configurations manufactured to suit each individual customer's specific requirements. These models can also be installed in a Mobile Trailer if the customer desires.

• Prices for Cabinets, Tables & Platforms include a Fault Current Reactor & a 3 Phase Breaker Box •

Rolling Cabinets

(1) 3 Pole (9 breakers, 9 transformers)	$82,300.00
with Dual Voltage Transformers	$85,300.00
with Dual Voltage & Dual Polarity	$88,300.00
(2) 2 Pole (6 breakers, 6 transformers)	$68,000.00
with Dual Voltage Transformers	$71,000.00
with Dual Voltage & Dual Polarity	$73,000.00

Optional Equipment

(6) Wooden storage inserts for transformers $1,550.00
(7) Custom Pelican Cases $1,750.00
(8) *Extra Transformers (each) $1,600.00*
(9) *Extra Dual Voltage Transformers (each) $1,950.00*
(10) *Extra Dual Voltage/Dual Polarity Transformers (each) $2,250.00*

Rolling Tables

(3) 2 Pole with BUILT-IN FAULT CURRENT REACTOR	
(6 breakers, 6 transformers)	$69,000.00
with Dual Voltage Transformers	$72,000.00
with Dual Voltage & Dual Polarity	$75,000.00
(4) 2 Pole 6 breakers, 6 transformers)	$67,000.00
with Dual Voltage Transformers	$70,000.00
with Dual Voltage & Dual Polarity	$73,000.00

Rolling Platform

(5) 2 Pole (6 breakers, 6 transformers)	$65,000.00
with Dual Voltage Transformers	$68,000.00
with Dual Voltage & Dual Polarity	$71,000.00

If 120/208V 3 Phase power is available at the training location, power outlet required is: NEMA L21-30R 4 Pole 5 wire Grounding 30A 3ØY VAC Twist Lock

(11) If a 120V outlet is the only power source our Single-Phase to Three Phase Power conversion kit will simulate 120/208V 3 Phase power source.
The Single Phase to Three Phase Power Conversion Kit Includes all three below:
(one) 2KVA Transformer • (one) Phase Converter • (one) 3 Phase Transformer $18,700.00
(12) Custom prewired rolling platform for equipment above (recommended for travel $2,850.00

ADDITIONAL OPTIONS

(13) InductionTraining Coils with Pelican Case $2,595.00 (each)
(14) "Mastering Transformer Connections" Classroom Manual (11"x8.5") $60.00 (each)
(15) "Laminate Field Guide" (8.5"x5.5") $45.00 (each)
(16) "Waterproof Field Guide" (8.5"x5.5") $55.00 (each)
(17) PowerPoint® (includes review questions and illustrated wiring guides) $430.00 (each)
(18) Dry Erase Boards 16"x19"...$60.00 (each) / 3'x3" ...$300.00 (each) / 4'x4' ...$400.00 (each)
(19) Custom Print Dry Erase Cabinet or Table Covers ...$600
(20) Custom Printed Non-Slip Padded Cabinet or Table Covers ...$600
(21) Transformer Worksheets (includes rights to reproduce sheets) ...$400
(22) Spare Parts, Metering and Tool Kit ...$3,400.00 (each)

• Prices DO NOT include shipping & handling • Taxes will be added without proof of tax exempt status •

(Effective Date 5/1/25 * All prices are subject to change without notice)
